ABOUT OUR COMPANY AND PRODUCTS

The aim of this brochure is to draw your attention to the products of our company.

We wanted to create a representative product-line that will attract those who are interested in different types of product and we want them to find relevant information.

We expect new customers especially in Eastern Europe, Central Europe and Africa. Our existing customers can also find lots of information in this publication.

We try to demonstrate the quality of our products, the conditions of sorting and our technical background with photos. Clicking on the pictures you can observe the quality and components of each product.

OUR HIGHLIGHTED SUMMER OFFER

- Graded clothes
- Graded shoes
- ORIGINAL clothes and shoes

Our company has been trading with used clothes and shoes since 1994. The sorting factory and warehouse are in Hungary and we have commercial office in the United Kingdom too.

The originals for sorting have been collecting in developed countries of Western Europe (England, Germany, Belgium and Netherlands). We buy directly from our regular suppliers only and this can even guarantee the high quality of originals.

In factory we employ 180 people and produce many as 300 different product on 6.500 square meters. Our monthly process is about 1000 t.

Our main aim to supply the Hungarian market, but in recent years our export has increased rapidly too.

At present we have clients from 16 different countries of the world. Our customers are pleased with our prices and quality.

The process of the factory are improving continuously, therefore we always looking for new customers. We try to build a long term business partnerships with our buyers.

Our vans and lorries are ready to deliver goods to the neighbouring countries. Upon request we can help to organise a transport to further destinations.

Our high quality products are folded separately in transparent plastic bags. If needed, we use white bags and cap sacks for packaging as well. We press giant and small bales bales with our machines.

In the warehouse usually we have 2000 tons of original and sorted goods for sale what we would like to offer for our regular and new customers.
